## Way Up High

Way up high in an apple tree,  
Two little apples smiled at me.  
So I shook that tree as hard as  
I could.

And down came the apples –  
Mmmmm! They were good!

## Apple Counting

One apple, two apples,  
Three apples I see.  
Four apples, five apples,  
Smiling at me.  
Six apples, seven apples,  
Eight apples, then ...  
Add two more,  
And that makes ten.

### Talk about it:

- What do apples look like?
- How do apples taste?
- Do you like apples? Why or why not?
- What other foods can be made from apples?
