

Lest we forget ...

*An **acrostic** is a poem built on a special word. The word is written vertically. Then, each letter of a word serves as the first letter of a line of the poem. For example:*

Serving underneath our flag,
Obeying orders that they might overcome the enemy,
Living,
Dying,
In defense of freedom. They
Endure against all odds. May we ever
Remember their
Sacrifices.

Use the lines below to write your own acrostic poem about veterans.
